COVID-19 UPDATE

March 23, 2020

To Our Valued Customers/Suppliers,

Dobson Industrial Inc., like all of you, continues to respond and monitor the COVID-19 situation. Our top priority remains the health and safety of our employees, suppliers and customers while supporting you and your operations.

As a specialty contractor supporting the multiple industries deemed essential businesses and operations, Dobson Industrial Inc. remains open for business during the COVID-19 pandemic.

While strictly adhering to all guidelines as set by the CDC, including the implementation of work-from-home policies for some of our employees, Dobson Industrial Inc. will continue to cover the phones and digital lines of communications, conduct fabrication and field operations and shipping. Our goal is to achieve as little disruption as possible and keep you, our valued customer, up and running.

We value you as our customer and thank you for your support. We will keep you updated as things evolve as our goal is to remain flexible to your needs while navigating the current situation.

Sincerely,
